PROFESSIONAL SUMMARY

Senior Producer with 15+ years leading integrated creative production for premium consumer, hospitality, and travel brands, from brief through delivery. Combines hands-on production leadership, photo/video shoot management, and brand-film oversight with direct client and vendor management, six- to seven-figure budget ownership, and cross-functional team leadership across pre-production, production, and post.

CORE SKILLS

Integrated & Brand Production, Brief-to-Delivery Production Management, Photo/Video Shoot Production, Brand Film & Content Production, Vendor & Talent Management, Budget Management (Six- to Seven-Figure), Creative Workflow Optimization, Cross-Functional Team Leadership, Stakeholder Management, Brand Guideline & Asset Management. AI-Assisted Production & Prototyping (Claude). Systems: Asana, Smartsheet, Jira, Harvest, Forecast. Platforms: WordPress, Shopify, Klaviyo, Salesforce Marketing Cloud.

PROFESSIONAL EXPERIENCE

Experience Interaction — New York, NY Dec 2022 – Feb 2026

Senior Integrated Producer / Associate Account Director

Led end-to-end creative production for luxury spirits (Bushmills, Great Jones Distilling) and aviation (Jets.com) brands, managing six- to seven-figure production budgets across concurrent multi-channel engagements.

- Directed full creative production of the Jets.com brand transformation, including a cinematic brand film, website and mobile redesign, and visual identity development, from brief through final delivery, coordinating an internal creative team, external vendors, and executive stakeholders.
- Produced Bushmills' partnership campaign with PGA golfer Joel Dahmen end to end, from concept through an on-location shoot in Arizona to post-production and digital rollout.
- Captured and produced fast-turnaround, social-first content on-site at Bushmills' "Origins of Whiskey" immersive brand experience for same-day digital distribution.
- Managed the Bushmills.com redesign and platform migration from WordPress to Shopify, rebuilding the site's design system end to end.
- Established and managed production workflows across email, social, display, and content channels, setting timelines, milestones, and delivery schedules.
- Coordinated asset requests and approvals with brand teams, managing confidential brand materials and ensuring alignment with brand guidelines.

People First — New York, NY Apr 2021 – Nov 2022

Head of Client Services

Directed content and campaign production for high-profile clients including Ad Council, NASCAR, Sesame Street, Tommy Hilfiger, and White Castle, leading an 8-person team.

- Produced Ad Council's year-long "Vaccinate America" public health campaign, generating 980 pieces of content and reaching 27.8M+ people who, per campaign results, were 165% more likely to get vaccinated than a control group.
- Produced targeted micro-influencer content for Tommy Hilfiger that increased brand favorability by 10%+ among young women.
- Directed campaign content development for Hologic that drove a 30%+ increase in awareness of its Molecular PCR tests.

- Forecasted and allocated production resources across concurrent client engagements, coordinating external vendor support to maintain delivery schedules.

space150 — New York, NY Jan 2015 – Dec 2020

Account Director / Account Supervisor

Led integrated production and project management for global brands American Express and Hyatt Hotels in a matrixed organization, delivering multi-channel campaigns spanning digital, social, video, and experiential.

- Produced Hyatt Hotels' experiential brand activations, including the 2019 NYC WorldPride float on Fifth Avenue, and multi-platform content campaigns across global markets.
- Managed six figure production workflows for American Express across marketing, legal, compliance, and IT, supporting a Cross-sell Program relaunch that surpassed acquisition targets by 20% year over year.
- Produced direct mail, CRM, and video assets for the American Express x FedEx partnership.
- Established briefing, review, and approval workflows with creative, strategy, and operations teams.

Blue Fountain Media — New York, NY May 2011 – Dec 2014

Account Director

- Led project teams delivering website design, development, and digital marketing production for enterprise clients across B2B and B2C sectors, managing scope, timelines, and budgets.

Sudden Industries — New York, NY Jan 2003 – Dec 2010

VP of Production / Director of Production

- Led digital production for entertainment and media brands; supervised and mentored a junior production team and established the studio's production workflows and quality standards.

INDEPENDENT PROJECTS

aicl原因ash.net: Independently designed and built a browser-based game and accompanying design system end to end using Claude & ChatGPT (2026).

EDUCATION

Sorbonne, Paris — DESS, Multimedia

University of Paris II (Assas) — Master's / DEA, Intellectual Property Law

LANGUAGES

Fluent in English and French. Working knowledge of Spanish.

OUTSIDE WORK

Live music (guitarist, NYC punk band [Train Wreck](#)), art, film, skiing, natural wine.
